

Kettle Support Systems

Thermoplastic Equipment

From truck-mounted melting systems to trailer-mounted melting systems, MB can provide the perfect solution for thermoplastic melting operations.

Truck Mounted Melting Systems

- Custom bed configuration
- Availability to integrate side lift gates
- Additional options, including toolboxes, safety lighting, arrow/message boards and stencil racks

Trailer-Mounted Melting Systems

- Designed to optimize pavement marking production with a single dedicated vehicle
- Can be customized with a variety of options:
 - Kettle capacities
 - Choice of lift gate or crane
 - Additional options, including tool boxes, safety lighting, arrow/message boards and stencil racks

Thermoplastic Melters

- Available from 500-4,000 lbs.
- LP-or diesel-fueled burners

Equipment and products shown here are for demonstration purposes only. Actual products offered for sale may vary in design, requirements and safety features. M-B Companies reserves the right to improve products and make revisions in designs, specifications and standards for equipment without notice and without incurring obligations.
