

Process Plumbing

Low-pressure/low-suction side plumbing

Why Process Plumbing

- Easy disassembly for cleaning and maintenance
- Easy to clean smooth surface
- Quick and easy use in the field
- Less down time means more productivity
- No tools required
- No pipe threads to cross thread and gall
- No pipe dope or tape needed

Equipment and products shown here are for demonstration purposes only. Actual products offered for sale may vary in design, requirements and safety features. M-B Companies reserves the right to improve products and make revisions in designs, specifications and standards for equipment without notice and without incurring obligations.
