

# Kamber Spray Systems

## Model 38-5-10-15 Paint Guns

The Kamber Model 38 – 5-10-15 Spray Guns are high-quality, pneumatic paint guns, manufactured under the strictest control of materials and workmanship, unequaled by any other manufacturer. The gun is designed for road marking application of all standard traffic paints, including premix. The paint line delineation on the road is excellent and, with most paint, equals that of an airless system. The Kamber Model 38 Series can be easily converted from a non-bleeder to a bleeder gun.

STANDARD PARTS	MODEL 38-5	MODEL 38-10	MODEL 38-15
Material Nozzle	4.5	6.0	6.8
Air Nozzle	6.0	8.0-12	8.9-14
Exterior Nozzle Line Width 4" to 8" Line Width 8" to 12"	160-2.5 or 10-16-6 190-2.5	12-15-3 or 25-10-18 20-40-2.5	40-10-16 or 42-10-25 #44
Needle	2022-5.0	2022-6.5	2022-7.5
Effective Air Consumption	4-8 CFM @ 40-80 psi	10-20 CFM @ 50-100 psi	15-25 CFM @ 50-100 psi
