

Kamber Spray Systems

Model 50A Paint Gun

The Kamber Model 50A Airless Spray Guns are high-quality, pneumatic paint guns, designed for high pressure applications, manufactured under the strictest control of materials and workmanship, unequaled by any other manufacturer. The gun is designed for road marking application of all standard traffic paints.

SPECIFICATIONS

- ◆ Use on all unit working higher than 850 psi material pressure
- ◆ Gun ON/OFF – Pneumatic “OFF” with quick external valve – faster than spring only closing
- ◆ Operating air, and flow of material are completely, separate, with no gaskets used.
- ◆ By changing the airless tip, spray widths ranging from 2 inches to 12 inches can be obtained
- ◆ Maximum use pressure – 4977 psi
