Job Posting

Service Technician

We are currently searching for the right candidate to join our team as a **Service Technician**. This position will be responsible for servicing and demonstrating our airport snow removal vehicles and equipment as well as providing training for operators at our customer's locations.

Key duties include:

- Demonstrating equipment to potential customers
- Installing new or modified equipment at customer's facility to ensure full functionality according to specifications.
- Assisting in the training of new operators at customer sites
- Providing on-site technical assistance to help troubleshoot, repair and adjust equipment
- Evaluating field installations and recommending design modifications to eliminate machine or system malfunctions.
- Attending trade shows which may include assembling and disassembling equipment.

Requirements

The ideal candidate will have:

- An Associate's Degree in a related technical field and two to four years of related service experience
- Solid mechanical aptitude
- Willingness to travel (up to 75%) throughout the continental United States

Additionally, to be successful in this position the ideal candidate will possess:

- Ability to communicate effectively and professionally with a variety of people, both written and verbal.
- Ability to work effectively under pressure and meet time deadlines.

Individuals interested in applying to this opportunity may complete an employment application or forward a resume to mbhumanresources@m-bco.com.
