Job Posting

Production Employees

We are currently seeking skilled and customer focused Assemblers, Fabricators, Machinists, Painters and Welders to join our Production team in Chilton and New Holstein, Wisconsin.

M-B Companies is dedicated to being the leader in performance, reliability, and customer service as it has since 1907. M-B Companies has enjoyed steady growth by focusing on key niche markets. In doing so, M-B Companies provides high quality products and customer service for independent contractors, governmental agencies, and other road and airport organizations worldwide.

Essential Functions:

- Produce products according to established specifications, schedules, and quality standards.
- Inspect and test parts, accessories, and finished products.
- Willingness to learn and cross-train in other areas of the Production floor.
- Regular attendance is critical to the success of the position.
- Other duties as assigned.

Knowledge, Skills, and Abilities:

- Ability to utilize various items including, but not limited to, hand tools, power tools, measuring devices, and inspection equipment.
- Ability to read and interpret blueprints, diagrams, and work orders.
- Ability to bend, twist, and turn in a variety of positions for extended periods of time.
- Ability to regularly lift up to 50 pounds.
- Prior mechanical related experience is preferred.
- Excellent communication, interpersonal, and organizational skills.
- The ability to work under pressure and meet time sensitive deadlines.

Working Conditions:

- The employee may experience variable working conditions in the work environment. Examples include, but are not limited to, temperature variations, dust, noise, and exposure to moving mechanical parts.

Note: The statements herein are intended to describe the general nature and level of work being performed by the employee and are not be construed as an exhaustive list of responsibilities, duties, abilities and skills required of personnel so classified.
