Job Posting

Stockroom Supervisor

We are currently searching for a **Stockroom Supervisor** to oversee our Shipping and Receiving, Stockroom and Material Handling operations at our Airport Maintenance Products Division located in Chilton, Wisconsin.

Key duties include:

Motivating, directing and encouraging teamwork between employees to ensure compliance with safety, quality and production goals; policies and company rules.

Organizing work schedules to ensure maximum utilization of equipment and personnel and orders are shipped timely.

Ensuring all incoming materials and stock items are received properly, identified and placed in their proper locations in a timely manner.

Providing necessary training as it relates to safety, quality and equipment operation.

Managing and reporting daily time keeping.

Investigating and implementing ways to reduce operating costs and increase overall efficiencies

The ideal candidate will have:

- Strong working knowledge of, inventory control, shipping and receiving and manufacturing processes (including workflow, work orders and the ability to read and interpret blueprints)
- Five or more years of experience working in a warehouse or stockroom environment
- Previous supervisory experience preferred
- Associates degree in Supervisory Management or a related field of study desirable
- Excellent written and verbal communication and organizational skills
