

mb DOZER/POWER V

A Dozer & V-Plow for Commercial Turf Mowers snow •

Specifications

Dozer Features

5' (60") or 6' (72") widths available

Manually adjusted swing angles of 15° or 30° left/right from center

Bolt-on, reversible, hardened cutting edge

Dozer blade is spring-loaded to breakaway (trip) over small obstacles, reducing chance of damage

Lift provided by the mower deck arms

Adjustable, hardened skid shoes for blade height and level adjustments

Specifications

Power V Features

Plow halves may be angled up to 30° from center to allow for various configurations: Straight, Vee, Scoop, or Angled left or right

Each plow half independently controlled by its hydraulic cylinder

Bolt-on, replaceable, hardened cutting edges

Cutting edges are spring-loaded (trip edge) to breakaway on small obstacles

Lift provided by the mower deck arms

Available Options (Power V only)

- Top Deflector Flaps
- End (Width) Extensions
- Poly Cutting Edges
- Sight Indicators
- Skid Shoes
